

# Critical choices for a follower of Jesus

Some choices are easy

Some choices are important

Some choices are critical

Critical choices spell life or death

Few choices are all three

## First critical choice for a follower of Jesus

### I. What will we do with the Spirit of God?

A one-time action:

- ✓ **He makes us new**
- ✓ **He baptizes us**
- ✓ **He seals us in the family**

In ongoing action:

- **He leads us**
- **He gives us power to live supernaturally**
- **He changes us**
- **He replaces self with Himself**

My critical choice:

Will I

Reject Him?

Neglect Him?

Build a friendship with Him?
